Re: 2006 Race Series Garment Pick Up

Congratulations on finishing Triathlon BC's 2006 Provincial Race Series!

As an official Series finisher, you are eligible to collect a limited edition, ATAC Sportswear technical short-sleeve shirt, identifying you as a select, Race Series finisher!

Due to the overwhelming number of finishers, the only way to claim the Series garment is to collect it (or have a friend collect for you) from a Triathlon BC representative at the events listed below. Due to the high cost of mailing, Triathlon BC is unable to assume the cost of forwarding the prizes to each participant. Unfortunately, there will be no exceptions to the 'collect or miss out' process.

Each Technical shirt comes in unisex sizes; Small, Medium, Large and X-Large, and will be dispensed on a 'first come, first served' basis. To collect your Race Series shirt, please visit the Triathlon BC tent at any one of the following events:
