

HOSTING BC

Hosting BC Application Best Practices

Deadline: 4:00pm PST April 28, 2011

The Hosting BC application must be completed online. The application can be found at www.bcgames.org or www.hostingbc.ca (under Resources).

This document is intended to give applicants a preview of the Hosting BC online application questions and to provide tips and examples for completing the application. DO NOT submit this document. Only online applications will be accepted.

- The entire online application (including uploading documents) must be completed at one time. It is suggested that you complete your answers in a Word document and then copy and paste them into the online form.
- **Question 15** requires applicants to upload your letters of support. Please combine all letters into one document for uploading and ensure your event name is included in the file name. The maximum size is 3 MB. If you have any difficulties you can also email your letters to hostingbc@bcgames.org.
- **Question 28** requires that applicants submit a budget. Ensure you have completed the Hosting BC Budget template available for download online. No other budget forms will be accepted.

IMPORTANT: Please read the Hosting BC Program Application Guidelines before you complete the online application form.

GENERAL INFORMATION

Please combine all letters into one document to upload. Ensure your event name is included in the file name of your document. Maximum size is 3 MB.

EVENT DESCRIPTION

16. Provide a brief description of the event (150 words):

Highlight the importance of the event from a sport and community development perspective.

Example 1

2006 Skate Canada International:

Skate Canada International is one of six premier competitions in the yearly International Skating Union's (ISU) Grand Prix of Figure Skating series. Skaters are awarded points based on their placements in the series' events. The top-six men and ladies and the top-six pair and ice dance teams qualify for the ISU Grand Prix of Figure Skating Final.

Example 2

2006 CCAA National Soccer Championships:

The CCAA National Soccer Championships feature the top six college men's and top six college women's teams in Canada (total of 12 teams). The event is sanctioned as one of eight Canadian College Athletic Association's annual national championships that are held throughout the country. The National Soccer Championships play host to over 300 athletes as they vie for the coveted crown in Canadian College Soccer – a national title!

Example 3

2006 Birmingham National Wheelchair Tennis Championships:

The 2006 Birmingham National Championships for wheelchair tennis will include the top 16 men, top eight women, and top eight quad division players in the country, as well as a 2nd draw for the next tier of athletes to gain valuable national competitive experience.

17. BC community(ies) that will host the event:

Select the community(ies) where the event will be taking place from the drop down list. Hold the CTRL key to select more than one community.

18. List Facility Name(s):

List of proposed and/or confirmed facility names for the event(s).

19. Provide the address of the main facility:

Street Address

City

(Outline numbers of participants, teams, regions, countries, etc.)

21. Number of Athletes:

22. Number of Volunteers:

EVENT BENEFITS

Note: Benefits last only for the duration of the event; legacies are left after the event takes place.

23. Describe how this event will provide sport development opportunities.

Up to five points (max 300 words).

Background:

The development of athletes, coaches, officials, and volunteers is a key outcome of investing in sport hosting. By providing valuable competitive opportunities the capacity of the provincial sport system is strengthened.

Sport Development Examples

- Important qualification event for athletes to move on to higher levels of competition.
- Event is identified as part of the CSL plan for the sport.
- Talent identification and training opportunity for athletes, coaches, and officials.
- Skill development or mentorship program incorporated into the event plan.
- Catalyst for young athletes to pursue higher level competitive opportunities.
- Provide international level experience for officials and volunteers.
- Allows Canadian athletes the opportunity to compete at home.
- Event is part of organization's hosting strategy to bring new opportunities for athlete, coach, and sport development.

24. Describe how this event will provide economic and tourism benefits.

Up to five points (max 300 words).

Background:

Economic benefits are generated by visitor and organizer spending, as well as the increased demands on local businesses.

Future tourism benefits that are generated as a result of the publicity of an event are difficult to project in dollar figures. Instead, include information about how additional tourism may be generated by the event.

If your organization has already evaluated the projected increase in economic activity of the event through an economic impact study, include the results in this section.

Economic Benefits Examples

- Economic spin-off benefits through the purchase of lift tickets, accommodations, food and beverage, transportation, and retail sales.
- The event will transform an otherwise slow week to a very busy week – hotels, restaurants, and shops should notice a significant increase in business.
- A local purchasing policy will be developed for the event.
- Future tourism will increase as a result of host community promotion via international TV event coverage.
- Exposure of out-of-town athletes, spectators, officials, and volunteers to the host community will result in return repeat visitation.

25. Please describe how this event contributes to human resource development.

Up to five points (max 300 words).

Background:

Human resource development should include the new skills that will be brought to members of the host community for both paid workers and volunteers.

Human Resource Development Examples:

- 50 local volunteers will be trained on how to set up a world-class alpine ski racing course.
- Event organizers and volunteers will gain skills experience necessary to host a higher level competitive event.

LEGACIES

26. Describe the community legacies you expect to generate by hosting this event.

Up to five points (max 300 words).

Legacy Examples:

- Annual community conferences, clinics, or cultural celebrations as extensions of the event.
- Shared Use Agreements between school boards and municipalities; these help facilitate broader access to sport and recreation facilities.

- Equipment legacies:
 - Event equipment used will be made available to future event organizers, i.e. signage, barricades, and/or computers.
 - Expensive pieces of sport equipment which are beyond the reach of a single community club will be purchased for the community.
- New facility construction or upgraded existing facilities.
- Talent Identification Camp for local athletes arranged with the applicable PSO.
- Volunteers: number of volunteers that will be trained or certified.
- The establishment of a legacy fund that will provide assistance for various purposes (i.e. scholarships, sport development, future hosting).
- Tools developed will be made available to future community event organizers.

27. Describe the skills and past event hosting experience of the event organizers.

Up to five points (max 300 words).

27.1 International Events and Bids only

Please submit a business plan or bid proposal.

Include details on organizational structure and the ability to fulfill hosting requirements (transportation, medical coverage, accommodations, meals, technical support, etc.).

BUDGET

28. Attach the completed Hosting BC budget template.

Attach completed budget template file in Excel format. Be sure your organization or event name is included in the document file name.

28(a). Total Cash Revenue (including Hosting BC request):

Copy total from budget worksheet

28(b). Total Cash Expenses:

Copy total from budget worksheet

29. Total funding request (\$):

Amount requested from the Hosting BC program. Ensure this does not exceed the maximum allowable grant amount for your event level.

30. If there is a specific purpose within the operational budget that these funds will be used for, please describe.

Hosting BC program funds must be used for operational expenses and does not include capital purchases such as equipment, furniture, vehicles, gifting, or prize money.

Operational Expenses Examples

- Volunteer expenses - volunteer lunches, accommodation, clothing, and recognition.
- Ski race set-up and infrastructure – signage on-site/off-site, scaffolding rentals for platforms and staging, first aid, radio rentals, and commentator fee.
