

2020 PROVINCIAL CHAMPIONSHIP BID APPLICATION
SUBMISSION DEADLINE: NOVEMBER 1, 2019

Creating a world class athlete experience is a priority for Triathlon BC, both to ensure growth for our sport, and, with a saturated event market place, ensure athletes return, time and time again, to the sport we love.

'Sanctioned by Triathlon BC' is a designation that indicates an event has met the minimum requirements established by Triathlon BC for safety and fairness at a competition. It signifies that a Race Director has completed a thorough review of an event's swim, bike and run courses, has evaluated and planned for medical, emergency, safety and volunteer support, and that the Race Director will conduct the event according to the rules and regulations governed by the International Triathlon Union (ITU), Triathlon Canada and Triathlon BC. Sanctioned events have continuous technical support and professional guidance and advice where required, and when requested.

Events sanctioned by Triathlon BC have the following objectives:

- Safe and fair competition.
- Strong partnership between the Local Organizing Committee (LOC) and Triathlon BC.
- Inclusion of paratriathlon events to support participation and growth of paratriathlon in the province.
- Inclusion of age-group competition from kids to adult to grow multisport across the province.
- Maximize exposure for multisport across BC.
- Provide competitive opportunities that support long-term athlete development.
- Encourage performance stream athletes to remain in the province to experience formidable competition.

To host a Triathlon BC sanctioned event in 2020, **all outstanding fees must be resolved** prior to submitting an event bid. Additionally, Race Directors bidding on a Provincial Championship event must:

- Have hosted a minimum of one, incident free Triathlon BC sanctioned event in 2019.
- Commit to hosting, and participating in, a Provincial Level 1 Officials Clinic held in the host community prior to race day, 2019.

Please indicate tentative Clinic date: _____ and host Community: _____.

Triathlon BC's Provincial Championship are the province's marquee events, set above other multisport events, providing athletes and volunteers with an exceptional sporting experience. These events have shown to attract athletes and supporters from neighbouring provinces and states, and drive significant local economic benefit. As such, Triathlon BC's Officials Department will assign a Technical Delegate (TD) to each Provincial Championship event, ensuring a rich experience is had by its participants.

BC Championship Events: Participation in provincial Championships is based on age-category (e.g., 20-24, 25-29 etc.) and while athletes of all abilities are welcome to compete, the winners receive the honour of being awarded the Provincial Championship title in their gender/age-category. High quality Gold, Silver and Bronze medals are provided to all podium age group finishers.

Provincial Championships are British Columbia’s marque events, showcasing our sport and our best athletes, alike. What key attributes does your event offer that other provincial events may not?

What changes, if any, are planned for the 2020 event over previous years?

Results must be provided by a professional timing service. What timing service will provide results at your event:

Will results be posted in standard 5 Age Group year increments? YES NO

(Five-year age groups in increments starting with 20-24 and going through 85-plus are required)

Events will be evaluated based on the strength and thoroughness of each submission. Please list any additional details that the Selection Committee should consider when making their selections:

To strengthen the bid’s application, supporting documents from community stake holders as attachments are encouraged.

In the last 3 years, has your event received any Provincial Hosting Grants? YES NO

Triathlon BC joined Triathlon Canada’s National Triathlon Registration System (NTRS) in 2017, a common database shared with triathlon governing bodies across Canada. Based out of North Vancouver, the NTRS handles event registration needs, and offers a high degree of quantitative analysis to its clients.

To allow for ease of registration, membership confirmation, expedited reporting and post event accounting, all Provincial Championship events bids must acknowledge the required use of the National Triathlon Registration System (NTRS) for athlete entries.

YES, I acknowledge that our event will use the NTRS system for event registration.

To help develop the sport, and to maximize participation in BC Championship events, would you be interested in partnering with Triathlon BC in hosting a:

Adult Clinic

Coach Clinic

Kids/Schools Clinic

If you have indicated YES to the above, please provide contact details that we can work with in delivering a clinic to your event community.
