

TRIATHLON BC OFFICIALS RATES

Officials' honorariums are a small acknowledgment to our accredited Officials that volunteer their time at sanctioned events, ensuring multisport events across BC are consistent, safe and fair. The honorarium rates for our 2016 and 2017 racing season are outlined in the table below.

Current Honorariums Rates:

Official Role	Short Distance (Standard or shorter)	Long Distance
Head Official/Technical Delegate	\$55.00	\$105.00
Official	\$35.00	\$65.00

Officials request their honorarium via Triathlon BC's [Technical Officials Experience Record](#). Officials are provided the option to forfeit their honorarium. Honoraria that are not accepted are contributed towards an Officials Development fund that is used to support growth of the sport, offsetting the cost of professional development of Senior Officials.

The Technical Officials Experience record allows Triathlon BC the ability to verify what roles our Officials play at each event, and which races they attended throughout the year. Triathlon BC's Technical Coordinator uses this information to track progress and, where warranted, recommend Officials for advanced clinics and accreditation.
