

'Sanctioned by Triathlon BC' indicates that an event has met the minimum requirements established by Triathlon BC. It signifies that the Race Director has completed a thorough review of an event's swim, bike and run courses, has evaluated and planned for medical, emergency, safety and volunteer support, and that the Race Director will conduct the event according to the rules and regulations governed by the World Triathlon (WT), Triathlon Canada and/or Triathlon BC.

The information supplied below will appear on the Triathlon BC website race calendar, please double check all information for accuracy.

- Events that do not have a recent Triathlon BC sanction history are required to submit a letter of endorsement, issued by the host municipality they wish to run an event in. Each letter must indicate the name of the organizer, proposed date and location of the event, and be signed by the permit issuing department of the host community.
- All outstanding fees must be resolved prior to submitting a Race Information Sheet for the comings season. Events with outstanding event fees will not be candidates for sanctioning and will not be provided with insurance coverage.

Triathlon BC will be joining Triathlon Canada's National Triathlon Registration System (NTRS) in 2017, a common database shared with triathlon governing bodies across Canada. Based out of North Vancouver, the NTRS also handles event registration needs, and offers a high degree of quantitative analysis to its clients. Are you interested in learning more about the NTRS?

YES NO Thanks

NEW FOR 2023! One-Day Membership is now available through the NTRS! As a condition to sanctioning and insurance, all participants must hold memberships with Triathlon BC. Membership is available in two formats; annual or day memberships. Events that do not host their registration on the NTRS can do offer one-day membership directly through an NTRS portal, immediately verifying members. Are you interested in hosting One-Day Membership on the NTRS?
