To the Members of:

We have reviewed the accompanying financial statements of **Triathlon British Columbia** that comprise the Statement of Financial Position as at December 31, 2024, and the Statements of Operations, Changes in Fund Balances and Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioners' Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of **Triathlon British Columbia** as at December 31, 2024, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to the Financial Statements

For the Year Ended December 31, 2024

NOTE 1 - ORGANIZATION

Triathlon British Columbia (the "Association") is a non-profit organization incorporated under the Society Act (British Columbia) and is engaged in promoting and organizing triathlons, duathlons and related multisport events in the Province of British Columbia.

The Association is exempt from income taxation under Section 149(1)(l) of the Income Tax Act as long as certain criteria continue to be met.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

Fund Accounting

The Association follows the restricted fund method of accounting for contributions.

The general fund accounts for the Association's program delivery and administrative activities.

The reserve fund accounts for funds available only upon board approval.

The capital asset fund accounts for the assets, liabilities, revenues and expenses related to the Association's capital assets.

Cash and Cash Equivalents

Term deposits are highly liquid and are considered cash equivalents.

Inventory

Inventory consists of clothing and various race accessories and is measured at the lower of cost and net realizable value. Cost is determined using the first-in, first-out method.

Property and Equipment

Property and equipment are recorded at cost less accumulated amortization. Amortization is provided over the estimated useful life of each equipment using the declining balance method at the following rates:

Computer equipment	40%
Software	30%
Equipment	30%
Office equipment	20%

Deferred Revenue

Revenue relating to events occurring after year end is recorded as deferred revenue. Deferred revenue is included in revenue when such events occur.

Revenue Recognition

The Association follows the deferral method of accounting for sponsorship and other contribution revenues. Sponsorship includes cash and services in-kind provided without charge to the Association. Cash contributions are recognized when receivable if the amount to be received can be estimated and collection is reasonably assured. Service in-kind sponsorship is recognized when the services are provided and are recognized at the fair value of those services. An equivalent amount is recognized as expenditures.

Donated Goods and Services

The Association and its members benefit from donated services in the form of volunteer time for various events. The value of donated services is recognized in these financial statements.

Allocation of Expenses

Government grants are recorded as a reduction of the related expense in the same period as the expenses for which the grant is intended to compensate.

Financial Instrument Measurement

The Association initially measured its financial assets and financial liabilities at fair value. It subsequently measures all of its financial assets and financial liabilities at amortized cost.

The financial assets subsequently measured at amortized cost include cash and cash equivalents, accounts receivable, and interest receivable. The financial liabilities measured at amortized cost consist of accounts payable and accrued liabilities.
