

2022 RACE INFORMATION SHEET - COVID 19

The COVID-19 Pandemic has hit the endurance event marketplace hard. In 2020, 97% of our regularly sanctioned events were cancelled in our province. The tail end of the 2021 season saw a small uptick in event hosting. Triathlon BC understands the challenges and hardships local event organizers have faced over the past two seasons, and empathize with every Race Director and LOC as they navigate the COVID-19 landscape.

As we move towards the 2022 season, Triathlon BC is hopeful that multisport events will return in a modified format, always respecting the Provincial Health Office orders while meeting the needs of enthusiastic participants across province.

2022 Provincial Championships are now up for hosting bids. Designated Championship events include:

- **BC Aquathlon Championships**
- **BC Duathlon Championships**
- **BC Junior & U23 Triathlon Championships** (must be Draft Legal)
- **BC Cross Triathlon Championships**
- **BC Sprint Distance Triathlon Championships**
- **BC Standard Distance Triathlon Championships**
- **BC Long Distance Championships**

PLEASE SEE SEPARATE PROVINCIAL CHAMPIONSHIP & RACE SERIES APPLICATION

Note 1: The Provincial Health Office mandates may restrict travel. If restrictions are province-wide, Provincial Titles may also be restricted.

LIABILITY PROTECTION ANNOUNCEMENT: The Province has now acted to extend COVID-19 liability coverage to **FOR-PROFIT ORGANIZATIONS** through the COVID-19 Related Measures Act (CRMA). The regulation protects people (paid or volunteer) from proceedings for civil liability for damages resulting from transmission or exposure to the virus that causes COVID-19. The regulation is retroactive to January 1, 2020 and will remain in force unless and until the CRMA is repealed. This addresses the liability concerns of for-profit race directors and LOCs. Read more about the regulation [here](#).

RETURN TO SPORT PLANS

Sanction sport throughout the province must adhere to current Provincial Health Orders. Please be sure to review and understand the most current Health Order applicable.

- [Provincial Health Order Restrictions](#)
- [ViaSport Return to Sport Guidelines](#)

YES, I have reviewed the Provincial Health Orders and will abide by the most current restrictions when hosting my event.

SANCTION PACKAGE SUBMISSION DEADLINE

Triathlon BC understands the challenges involved with planning events in an environment where restrictions may fluctuate based on current COVID-19 cases. Unless otherwise specified, the submission deadline for all 2022 sanctioned packages is March 31, 2022. Please note, only [electronic sanction packages](#) will be accepted.

2022 EVENT OPPORTUNITIES

Triathlon BC has received a small amount of funding to host introductory youth and adult clinics throughout the province. If your event already partners or hosts introductory clinics, it may be eligible for funding. Please provide specific details to determine eligibility.

CLINICS: Would you be interesting in partnering with Triathlon BC in hosting a community-based:

Draft Legal Clinic

Coach Clinic

Kids/Schools Clinic

OFFICIALS: Would you like to offer a free online Provincial Technical Officials Level 1 Clinic to your event participants? If so, please indicate a tentative date:

Online Provincial Level 1 Clinic Proposed Date: _____

TECHNICAL DELEGATE: A Technical Delegate (TD) is an accredited Official that works with Race Directors in the lead up to their event, ensuring consistency of rules, safety and fairness. Would you like a Technical Delegate to be assigned to your event? YES NO Thanks
