

## 2022 PROVINCIAL CHAMPIONSHIP BID APPLICATION

SUBMISSION DEADLINE: **NOVEMBER 1, 2021**

Creating a world class athlete experience is a priority for Triathlon BC, both to ensure ongoing growth and sustainability, and, with a saturated event market place, ensure athletes return, time and time again, to the sport we love.

'Sanctioned by Triathlon BC' is a designation that indicates an event has met the minimum requirements established by Triathlon BC for safety and fairness at a competition. It signifies that a Race Director has completed a thorough review of an event's swim, bike and run courses, has evaluated and planned for medical, emergency, safety and volunteer support, and that the Race Director will conduct the event according to the rules and regulations governed by World Triathlon, Triathlon Canada and Triathlon BC. Sanctioned events receive continuous technical support and professional guidance and advice where required, and when requested.

Events sanctioned by Triathlon BC have the following objectives:

- Safe and fair competition.
- Strong partnership between the Local Organizing Committee (LOC) and Triathlon BC.
- Inclusion of paratriathlon events to support participation and growth of paratriathlon in the province.
- Inclusion of age-group competition from kids to adult to grow multisport across the province.
- Maximize exposure for multisport across BC.
- Provide competitive opportunities that support long-term athlete development.
- Encourage performance stream athletes to remain in the province to experience formidable competition.

To host a Triathlon BC sanctioned event in 2022, **all outstanding fees must be resolved** prior to submitting an event bid. Additionally, Race Directors bidding on a Provincial Championship event must:

- Have hosted a minimum of one, incident free Triathlon BC sanctioned event.
- Commit to hosting, and participating in, a Provincial Level 1 Officials Clinic held in the host community prior to race day, 2022.

Please indicate tentative Clinic date: \_\_\_\_\_ and host Community: \_\_\_\_\_.

Triathlon BC's Provincial Championship and Race Series events are the province's marque events, set above other multisport events, providing athletes and volunteers with an exceptional sporting experience. These events have shown to attract athletes and supporters from neighbouring provinces and states, and drive significant local economic benefit. As such, Triathlon BC's Officials Department will assign a Technical Delegate (TD) to each Provincial Championship and or Race Series event, ensuring a rich experience is had by all participants.

**BC Championship Events:** Participation in provincial Championships is based on gender and age-categories (e.g., male/female 20-24, 25-29, 30 - 34 etc.) and, while athletes of all abilities are welcome to compete, the winners receive the honour of being awarded the Provincial Championship title in their gender/age-category. High quality Gold, Silver and Bronze medals are supplied by Triathlon BC to all podium age group finishers.

Provincial Champions also have the opportunity to purchase custom, one-off Provincial Champion jerseys.

Triathlon BC joined [Triathlon Canada’s National Triathlon Registration System](#) (NTRS) in 2017, a common database shared with triathlon governing bodies across Canada. Based out of North Vancouver, the NTRS handles event registration needs, instantly recognizing provincial annual and day members, and offers a high degree of quantitative analysis to its platform clients.

To allow for ease of registration, membership confirmation, expedited reporting and post event accounting, all Provincial Championship events bids must acknowledge the required use of the National Triathlon Registration System (NTRS) for athlete entries.

**YES, I acknowledge that our event will use the NTRS system for event registration.**

To help develop the sport, and to maximize participation in BC Championship events, would you be interested in partnering with Triathlon BC in hosting a:

**Adult Clinic**

**Coach Clinic**

**Kids/Schools Clinic**

If you have indicated YES to the above, please provide contact details that we can work with in delivering a clinic to your event community.
